

Question 28.8

Topic: Group 1 and 3 Exams

Question: As the 5-year deadline for retaking the qualifying exam for Part 75 applications approaches, may I retake only the Group 1 and 3 tests without also having to take the Group 5 exam? In other words, does passing the Group 1 and 3 exams qualify a tester to conduct and /or supervise Part 75 work?

Answer: Passing the Group 1 and 3 exams together or passing the Group 5 exam alone is sufficient for Part 75 emission testing and RATA applications.
