

Question 13.20

Topic: Quality Assurance RATA Notification

Question: Is EPA CAMD allowing a waiver from the requirement in § 75.61 to provide notice of the date of periodic quality assurance RATAs?

Answer: Yes. Effective February 28, 1997, EPA CAMD has issued a waiver from the requirement to notify the Administrator (or Administrator's delegatee) of the date of periodic relative accuracy testing under § 75.61(a)(5). This waiver shall continue until the Agency issues guidance otherwise. This policy does not waive the requirement to notify the Administrator for certification/recertification RATA testing.

Note that the requirements to notify EPA Regional Offices or state or local agencies remain in effect, unless those respective agencies also issue a waiver.
