

Question 8.17

Topic: Schedule of Tests

Question: Is it possible to move an annual RATA from the fourth calendar quarter following the last test to the third or second calendar quarter?

Answer: Yes. You may perform the RATA any time before the end of the projected RATA deadline (i.e., two or four calendar quarters following your last test). Therefore, you may adjust your RATA schedule as necessary. If you reschedule your RATA, the next RATA deadline is based on the date and time of completion of the rescheduled RATA.
